The original Board of Trustees of the John F. Slater Fund, selected by Mr. Slater, was as follows:

Rutherford B. Hayes, Ohio; Morrison R. Waite, District of Columbia; William E. Dodge, New York; Phillips Brooks, Massachusetts; Daniel C. Gilman, Maryland; John A. Stewart, New York; Alfred H. Colquitt, Georgia; Morris K. Jesup, New York; James P. Boyce, Kentucky; and William A. Slater, Connecticut.

The following members were elected to fill vacancies during the succeeding twelve years:

William E. Dodge, Jr., New York; Melville W. Fuller, District of Columbia; John A. Broadus, Kentucky; Henry C. Potter, New York; J. L. M. Curry, District of Columbia; Wm. J. Northen, Georgia; Ellison Capers, South Carolina; C. B. Galloway, Mississippi.

The letter addressed by Mr. Slater to the Original Board was published in the first number of Occasional Papers issued by the Board thirty-five years ago. This pamphlet has long been out of print. The reproduction here of Mr. Slater's letter will doubtless prove to be interesting to many who have been in contact, directly or indirectly, with the work and history of the Slater Fund. This letter was written on Mr. Slater's sixty-seventh birthday. He was born in the town of Smithfield, Rhode Island, March 4, 1815, and died in Norwich, Connecticut, May 7, 1884. It is not now generally known that on February 6, 1883, Congress passed a Joint Resolution in appreciation of the donation and appropriated the necessary amount for a gold medal to be presented to Mr. Slater.

## Letter of the Founder

Gentlemen: It has pleased God to grant me prosperity in my business, and to put it into my power to apply to charitable uses a sum of money so considerable as to require the counsel of wise men for the administration of it.

It is my desire at this time to appropriate to such uses the sum of one million of dollars (\$1,000,000); and I hereby invite you to procure a charter of incorporation under which a charitable fund may be held exempt from taxation, and under which you shall organize; and I intend that the corporation, as soon as formed, shall receive this sum in trust to apply the income of it according to the instructions contained in this letter.

The general object which I desire to have exclusively pursued, is the uplifting of the lately emancipated population of the Southern States, and their posterity, by conferring on them the blessings of Christian education. The disabilities formerly suffered by these people, and their singular patience and fidelity in the great crisis of the nation, establish a joint claim on the sympathy and good will of humane and patriotic men. I cannot but feel the compassion that is due in view of their prevailing ignorance, which exists by no fault of their own.

But it is not only for their own sake, but also for the safety of our common country, in which they have been invested with equal political rights, that I am desirous to aid in providing them with the means of such education as shall tend to make them good men and good citizens—education in which the instruction of the mind in the common branches of secular learning shall be associated with training in just notions of duty toward God and man, in the light of the Holy Scriptures.

The means to be used in the prosecution of the general object above described, I leave to the discretion of the corporation; only indicating, as lines of operation adapted to the present condition of things, the training of teachers from among the people requiring to be taught, if, in the opinion of the corporation, by such limited selection the purposes of the trust can be best accomplished; and the encouragement of such institutions as are most effectually useful in promoting this training of teachers.

I am well aware that the work herein proposed is nothing new or untried. And it is no small part of my satisfaction in taking this share in it, that I hereby associate myself with some of the noblest enterprises of charity and humanity, and may hope to encourage the prayers and toils of faithful men and women who have labored and are still laboring in this cause.

I wish the corporation which you are invited to constitute, to consist at no time of more than twelve members, nor of less than nine members for a longer time than may be required for the convenient filling of vacancies, which I desire to be filled by the corporation, and, when found practicable, at its next meeting after the vacancy may occur.

I designate as the first President of the corporation the Honorable RUTHERFORD B. HAYES, of Ohio. I desire that it may have power to provide from the income of the fund, among other things,

for expenses incurred by members in the fulfillment of this trust, and for the expenses of such officers and agents as it may appoint, and generally, to do all such acts as may be necessary for carrying out the purposes of this trust. I desire, if it may be, that the corporation may have full liberty to invest its funds according to its own best discretion, without reference to or restriction by any laws or rules, legal or equitable, of any nature, regulating the mode of investment of trust funds; only I wish that neither principal nor income be expended in land or buildings for any other purpose than that of safe and productive investment for income. And I hereby discharge the corporation, and its individual members, so far as it is in my power so to do, of all responsibility, except for the faithful administration of this trust, according to their own honest understanding and best judgment. In particular, also, I wish to relieve them of any pretended claim on the part of any person, party, sect, institution or locality, to benefactions from this fund, that may be put forward on any ground whatever, as I wish every expenditure to be determined solely by the convictions of the corporation itself as to the most useful disposition of its gifts.

I desire that the doings of the corporation each year be printed and sent to each of the State Libraries in the United States, and to the Library of Congress.

In case the capital of the Fund should become impaired, I desire that a part of the income, not greater than one-half, be invested, from year to year, until the capital be restored to its original amount.

I purposely leave to the corporation the largest liberty of making such changes in the methods of applying the income of the Fund as shall seem from time to time best adapted to accomplish the general object herein defined. But being warned by the history of such endowments that they sometimes tend to discourage rather than promote effort and self-reliance on the part of beneficiaries; or to inure to the advancement of learning instead of the dissemination of it; or to become a convenience to the rich instead of a help to those who need help; I solemnly charge my Trustees to use their best wisdom in preventing any such defeat of the spirit of this trust; so that my gift may continue to future generations to be a blessing to the poor.

If at any time after the lapse of thirty-three years from the date of this foundation it shall appear to the judgment of three-fourths of the members of this corporation that, by reason of a change in social conditions, or by reason of adequate and equitable public provision for education, or by any other sufficient reason, there is no further serious need of this Fund in the form in which it is at first instituted, I authorize the corporation to apply the capital of the Fund to the establishment of foundations subsidiary to then already existing institutions of higher education, in such wise as to make the educational advantages of such institutions more freely accessible to poor students of the colored race.

It is my wish that this trust be administered in no partisan, sectional, or sectarian spirit, but in the interest of a generous patriotism and an enlightened Christian faith; and that the corporation about to be formed, may continue to be constituted of men distinguished either by honorable success in business, or by services in literature, education, religion or the State.

I am encouraged to the execution in this charitable foundation of a long-cherished purpose, by the eminent wisdom and success that has marked the conduct of the Peabody Education Fund in a field of operation not remote from that contemplated by this trust. I shall commit it to your hands, deeply conscious how insufficient is our best forecast to provide for the future that is known only to God; but humbly hoping that the administration of it may be so guided by divine wisdom, as to be, in its turn, an encouragement to philanthropic enterprise on the part of others, and an enduring means of good to our beloved country and to our fellow-men.

I have the honor to be, Gentlemen,  
your friend and fellow-citizen,

JOHN F. SLATER.

Norwich, Conn., March 4, 1882.

# Minutes

## Of the Seventy-Seventh Meeting, April 26, 1927

---

The 77th meeting of the Trustees of the John F. Slater Fund was held in the office of the General Education Board, New York City, at 11:00 a. m. on Tuesday, April 26, 1927.

Present: Messrs. Brown, Kelsey, Shaw, Dillard, Bowie, Glenn, Kirkland and Eggleston.

In the absence of Mr. Scribner, Dr. Shaw was asked to take the chair.

The minutes of the meeting held on April 27, 1926, having been spread in full on the report of the Slater Fund for the year ending September 30, 1926, were approved without being read.

Dr. Dillard informed the Board that he had received letters from Messrs. Scribner, Kearny and Venable regretting that they would be unable to be present.

A letter from Mr. Pierre Jay was then read, offering his resignation as a Trustee of the Slater Fund owing to the fact that he was now permanently residing abroad. Mr. Jay's resignation was accepted with much regret.

The election of a successor to Mr. Jay was then considered and, on motion duly seconded and by the affirmative vote of all present, Mr. Trevor Arnett was duly elected a Trustee of the John F. Slater Fund.

Mr. Charles S. Brown, Chairman of the Finance Committee, then advised the Board that he desired, due notice having been given, to offer a resolution amending the By-Laws, and, after careful consideration and by the affirmative vote of all present, it was

*Resolved*, That Article XI of the By-Laws of the John F. Slater Fund be changed to read:

"Subject at all times to the instructions and approval of the Board of Trustees, the Finance Committee shall have the authority to invest and reinvest the funds of the corporation and to sell and dispose of the securities and investments of the corporation at their discretion. The Finance Committee shall have the authority to make contracts for the

sale of any real estate now or hereafter belonging to the corporation, such contracts to be signed by any two members of the Finance Committee.

"All securities in the custody of the Treasurer, belonging to the corporation, shall be held for 'The Trustees of the John F. Slater Fund' and any shares of stock and bonds, if registered, shall be held in the name of 'The Trustees of the John F. Slater Fund.' Unregistered or coupon bonds may, however, be held by the Treasurer for the corporation. Any securities belonging to the corporation may be surrendered and sold by the Treasurer when authorized by a resolution of the Finance Committee certified by the Secretary."

Reports of the Treasurer and the Finance Committee were then presented and it was ordered that they be adopted and placed on file, and, on motion duly seconded and by the affirmative vote of all present, it was

*Resolved*, That all acts and proceedings heretofore done, performed and taken by the Trustees of the John F. Slater Fund as shown by the Minutes of the proceedings of the Board of Trustees to the date of this meeting, be and the same hereby are in all respects ratified, approved, confirmed and adopted as acts and proceedings of the Board of Trustees of the John F. Slater Fund.

Dr. Dillard then presented in detail a report of his activities and on behalf of the Education Committee submitted a proposed budget for the year ending September 30, 1928, which was carefully considered and, by the unanimous vote of all present, adopted. (See page 12.)

It was then brought to the attention of the Board that the auditors' report for the year ending September 30, 1926, called particular attention to the fact that there were several checks that were issued by the Treasurer which had been outstanding for a period of years. Therefore, on motion duly seconded and by the affirmative vote of all present, it was

*Resolved*, That payment on the following checks, i. e.,

November 7, 1918—No. 3603—Supt. C. W. Jenkins, Laurel, Jones County, Mississippi.....	\$167.00
October 7, 1919—No. 4031—Supt. S. A. Caldwell, Bastrop, More- house Parish, Louisiana.....	166.00
November 5, 1923—No. 6157—Morris Brown University, Atlanta, Georgia.....	300.00

issued by the Treasurer of the John F. Slater Fund, and now outstanding, be stopped, and that the funds represented by them, namely \$633.00, revert to the income account of the John F. Slater Fund for its general uses.

At the suggestion of Mr. Kelsey the following resolutions were unanimously adopted:

*Resolved*, That in consideration of Dr. Dillard's continuing to serve the John F. Slater Fund as he has been serving it, and to induce him to do so, the Trustees agree that when he shall feel called upon to give up the work and retire, he shall receive from the John F. Slater Fund as a pension during the rest of his natural life, a sum equal to fifty per cent of his annual salary at the time of his retirement, and if Mrs. James H. Dillard should survive Dr. Dillard, she shall receive from the John F. Slater Fund for the balance of her natural life a sum equal to one-half of the amount Dr. Dillard had been receiving as a pension during his lifetime.

*Further Resolved*, That should at any time the income from the John F. Slater Fund be insufficient to pay the amounts to which it is committed for its general work, the pension of Dr. Dillard or of Mrs. Dillard should nevertheless be paid even if some portion of the principal of the fund should be required for the purpose.

*Resolved*, That there be appropriated annually for travelling and other expenses of Dr. Dillard in performing his duties as President of the John F. Slater Fund and in visiting the schools and colleges receiving aid from it, a sum equal to fifty per cent more than the average amount disbursed for this purpose during the past three years, and

*Resolved*, That Dr. Dillard should be requested to use this increased fund wherever it will serve to make his travelling easier and give him greater comfort as he goes about his duties.

The question of erecting at the Tangipahoa Parish Training School, Kentwood, Louisiana, one of the four original Training Schools established in 1911, a memorial building to Mr. John F. Slater was considered and it was

*Resolved*, That a Committee, consisting of Dr. Dillard and the members of the Finance Committee, be appointed to consider the plan and the means of raising the necessary funds, which were not in any event to be taken from the principal of the John F. Slater Fund.

It was *Further Resolved*, That such a memorial, if erected, should in every way be substantial and attractive.

This being the Annual Meeting, officers for the ensuing year were elected as follows:

Albert Shaw, Chairman; J. H. Dillard, President; Miss G. C. Mann, Secretary; Chatham Phenix National Bank and Trust Company, Treasurer.

Standing Committees were appointed by the Chairman as follows:

*Executive:* John M. Glenn, Chairman; Albert Shaw, W. Russell Bowie, Warren Kearny, Trevor Arnett.

*Finance:* Charles S. Brown, Chairman; Charles Scribner, Clarence H. Kelsey.

*Education:* J. H. Dillard, Chairman; Francis P. Venable, James H. Kirkland, Clarence H. Kelsey, Joseph D. Eggleston.

There being no further business, the meeting adjourned.

## Colleges

---

For several years the Slater Fund has been paying, or assisting in paying, the salary of a professor in the English or Science department of twenty colleges. It is interesting to note that the professors to whose salaries the contributions have been made are graduates of, or have attended, Harvard, Yale, Dartmouth, Columbia, Chicago, Northwestern, California, Illinois, Howard, Fisk or some other well-known institution.

In the Slater Report for 1924 a table was given showing the increase in actual college students in the *seven* of the twenty which reported *a hundred* or more.

The following comparison is interesting as showing the increase from 1922 to 1927 in the *nine* colleges of the twenty that report *two hundred* or more actual college students:

	1922	1927
Fisk .....	287	531
Virginia Union .....	123	399
Wiley .....	177	362
Bishop .....	88	341
New Orleans .....	29	312
Morehouse .....	134	291
Shaw .....	97	262
Atlanta .....	91	216
Clark .....	51	216
	<hr/> 1,077	<hr/> 2,930

During these five years there has been progress in strictness of entrance requirements, so that the increase in numbers is all the more remarkable.

---

The following is a list of the twenty colleges to which the Slater Fund made contributions in accordance with the appropriations as given on p. 12, which were the same for 1926-27.

**Allen University**, Columbia, S. C.—David H. Sims, Pres.

Founded 1880. African Methodist Episcopal.

The President reports the purchase of five acres in block adjacent to present site. He also announces the following additions to the Faculty:

Librarian, Registrar, Commandant of boys, director of Band and Orchestra, professor of English in College, and two professors in Theological department.

**Atlanta University**, Atlanta, Ga.—M. W. Adams, Pres.

Also, Tougaloo lost its old Hospital by fire, and laid plans for its replacement, which has been effected. It has built three new bungalows. In November 1926 it secured a pledge from the General Education Board of one-third of \$100,000, on condition of its raising the other two-thirds by February 1, 1930, toward buildings as follows: Girls' Dormitory and equipment \$55,000; new Laundry and equipment \$20,000; additions to the Dining Hall \$8,000; practice Housekeeping bungalow \$5,000; three residence bungalows \$12,000 (now built)."

# County Training Schools

---

The beginning of these schools dates back to the session 1911-12, when the Slater Fund assisted in establishing four. Up to this time the Slater Fund had done little in the way of cooperating in public school work. But so evident was the need for establishing a better type of central school that such cooperation was immediately successful. These schools have illustrated, in an interesting way, the possibilities of cooperation. For their establishment and support help has come from six different sources: State, county, the Slater Fund, the General Education Board, the Rosenwald Fund, and the Carnegie Corporation.

The following comparison shows the growth of these schools in the sixteen years since the first four were established:

	1911-12	1926-27
Schools .....	4	306
Teachers .....	20	2,161
Pupils in high school grades.....	77	11,810
Total receipts for all purposes.....	\$11,369	\$1,688,571
Salaries paid from Public Funds.....	3,344	1,104,510
Salaries paid through Slater Fund.....	2,000	106,000

## List of 306 Schools 1926-1927

There are 82 of these schools which report a four-year high school course: Ala. 10, Ark. 1, Fla. 1, Ga. 5, Ky. 7, La. 8, Md. 2 (only these in list), Miss. 3, N. C. 17, Okla. 1, S. C. 4, Tenn. 8, Tex. 10, Va. 5.

The plan has been to reduce gradually the amount contributed from outside sources. There are 48 which receive only \$100 from the Slater Fund, this amount to be spent in repairs or equipment. Some schools which have long been on the list receive a larger amount, and for salaries, because of the addition of grades.

There are 66 schools which have dormitories; and 98 which have teachers' homes.

The figure accompanying the name of the county shows the number of years the school has been on the list.
